I will be holding a three day coppersmithing class at my shop on March 6, 7, & 8,

2025. We will be constructing a bell shaped beer muller.

Items involved will be:

- Cramped seam with both silver braze and brass braze
- Annealing
- Shaping
- Cleaning
- Tinning
- Planishing and polishing
- Flat and tubular handles
- Assembly

Cost for the class will be \$275.00

All tools and materials will be furnished and are included

Class will be limited to 5 or 6 persons

Good hammer control and some knowledge of coppersmithing and or tinsmithing will be beneficial.

Please inform me if you are interested.

Lodging is available within about ten miles - Defiance, Ohio

\$100 non-refundable deposit

Full payment by March 1, 2025
